6. Ports and Airports charges

Port dues, wharfage, demurrage/storage, shipping line charges, container rentals, government fumigations or any other charges will be paid at actual cost based upon presentation of an original receipt. These port and airport charges and fees are for costs outside of the control of the TSP and will be treated as material costs in a Time and Materials arrangement for this TOS line item.

7. Sea & Air Freight charges (Export Shipping)

TSPs are required to provide Sea Freight and Air Freight charges for following frequently used destinations.

Sea Freight Routs:

Destinations	20FT Container	40FT Container	LCL/ cbm Rate

8. Any other Inland or International destinations Rates:

The destinations, seaports/airports which are not frequently used or not listed above, the Embassy/Consulate Shipping offices will take quotes from TSPs one-time-only (OTO) basis prior to packing. The TSP will submit the paid receipt for freight charges obtained from the respective freight forwarder/shipping agent in order to get reimbursed, along with invoice. Export Shipping fees are for cost outside of the control of the TSP and will be treated as material costs in a Time and Materials arrangement for this TOS.
